The youth shooting program this year will offer the basics of rifle, shotgun and pistol shooting to youth members and non-members. The programs offered are NRA training programs designed to teach the Knowledge, Skills and Attitude necessary for safe gun handling. These classes will have class room and range time. We will meet in the conference room (next to the club office) then move to the Youth shooting range or Shotgun Hill.

The Programs we are using will also assist the participant in meeting youth program requirements such as the Girl Scouts Shooting Sports, BSA Merit Badges, BSA Venturing Ranger Award, Royal Ranger Merit, 4H and others. Please notify us ahead of time with your group's specific requirements .

We will provide all Firearms, Ammunition, Eye and Ear Protection, Targets, NRA course materials and drinks. Please bring a sack lunch. You may bring your personal firearm to use, but it shall be approved by the instructor before use. We will be shooting .22 rim fire bolt action rifles; .22 rim fire semi-automatic Pistols; and 12 or 20 gauge shotgun (1 shot per clay target only)
