WINNER TAKE ALL

I believe this is the best way to determine the best shot and the best rifle/load – GG vs. PP combination. It will be shot shoulder to shoulder under the same conditions to avoid any ‘excuses’. The winner will, also, receive a trophy denoting he is the 2011 “King of the Hill”. What say Ye? Do you want real bragging rights? There are those that say anyone can win on any given day. If that is the case, everyone has a chance.
